Item No.	Particulars	Quantity
1.	Fluorscent tube fittings 4 of 40 watts tubes for Street Illumination, complete with casing, reflector, tube lamps, chokes, capacitator for 220 volts, 50 cycles operation	10 Nos.

The tenderers should quote their best billing prices, which should be firm for a period of one month from the due date of the tender. The rate should be quoted both in figures and words. The earliest period within which delivery would be effected may be specified in the tender. The full specifications with all necessary technical particulars and names of firms manufacturing should be intimated.

No enhancement of rates for whatever causes will be allowed when once the quotation is accepted and order is placed. Withdrawal from the quotation after it is accepted or failure to make the supply within the scheduled period will entail cancellation of the order and forfeiture of the earnest money, if any. The successful tenderer should if so required by us deposit a sum equal to 5 per cent of the value of the order as earnest money for the satisfactory execution of the order in accordance with the terms and period of delivery specified in the order.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to accept or reject any tender at his discretion.

Supply on our order will be subject to the general conditions of contract prevailing in the department for local purchases.
